## BACKGROUND

### ABOUT

Master teacher looking for new role and Industry. I'm looking to leverage the valuable skills, knowledge, and experiences as a teacher to advance a new client or organization in an executive or leadership position.

### WORK EXPERIENCE

#### Teacher, Company Name

Aug, 2014 - Dec, 2025      11 years 4 months

- Teaches classes in accordance with requirements of approved courses of study at expected student progress expectations
- Uses information about individual students' academic strengths, needs, and progress in planning
- Designs activities to engage students in cognitively challenging work aligned to standards
- Uses resources that will promote high levels of learning and student engagement in classroom environment
- Closely monitors student learning in order to understand how students are progressing toward learning objectives and provides students with instructive timely feedback that moves their learning forward
- Establishes classroom environment that is safe and supportive, risk-taking is encouraged, students feel free to contribute their ideas, and teacher and student interactions are respectful and polite to promote positive learning environment for all students
- Initiates and participates in Individualized Education Plan IEP meetings with administrators, faculty, parents, and other parties involved to develop and an IEP for eligible students
- Utilizes District approved behavior modification techniques to implement IEP goals and continually monitors student progress toward IEP goal achievement
- Maintains established policies and procedures for reporting incidents e.g., child abuse, substance abuse, harassment, and violence
- Communicates with families to create partnerships around student learning by providing information about instructional programing and progress of their student

- Fostered team collaboration between students through group projects for Mathematics, ELA, and History
- Evaluates performance of subordinate personnel

---
